- **ACCEPTANCE OF DANGEROUS & HAZARDOUS GOODS:**
  - Please do not accept any dangerous or hazardous shipment unless approval had been sought from CARGOGULF.
  - Acceptance of dangerous and hazardous shipments will be on a case-to-case basis.

- **SPECIAL RATES REQUEST:**
  - When requesting for special rates, ie: rates lower than the tariff, please complete the form as per Annex A.
  - Submit Annex A for approval to CARGOGULF – Attention: John Yap / Jeffrey Loke
  - All information requested on Annex A must be provided.
  
- **SPECIAL QUOTE REFERENCE:**
  - Upon approval of Special Rates Request, a Special Quote Request (SQR) reference will be provided.
  - This reference will be utilized when performing the Disbursement Accounts

- **BOOKING FORECAST:**
  - All offices are to provide, on a weekly basis, booking forecast for the following two weeks, as per Annex B.
  - Bookings forecast are to be submitted every Monday, without fail. Should a Monday fall on a public holiday, this should be submitted the following working day.
  
- **BOOKING WITH CARRIER:**
  - Upon receipt of bookings from customers, please book with the choice of carriers as per Section 11 – Choice of Carriers.
  - Immediately, without fail, upon confirmation of booking with carriers, please send Booking Advice, as per Annex C, to CARGOGULF.

- Followings are the procedures for Imports into Mumbai and Nhava Sheva:
  - **MANIFESTATION:**
    - Manifest and CARGOGULF Bill of Lading should be identical in wording/details as provided in the Origin Bill of Lading.
    - CARGOGULF Bill of Lading received by Mumbai/Nhava Sheva office should have the Indian receivers name and address shown in Consignee or Notify Party column.
  - **DOCUMENT:**
    - All documents should be received by Mumbai/Nhava Sheva office latest 04 days prior to vessel arrival.
    - Any Bill of Lading not received in time will be treated as a/entry and will be liable for customs fine and penalty of 15% CIF value of cargo.
  - **PORT OF DISCHARGE:**
    - Nhava Sheva (JNPT) and Mumbai are two different ports.
    - For Nhava Sheva clearance, the Bill of Lading should show Port of Discharge & Final Destination as "Nhava Sheva" or "JNPT".
    - For Mumbai clearance, the Bill of Lading should show Port of Discharge & Final Destination as "Mumbai" or "Mumbai old port".
    - ICD shipments should not be accepted from Mumbai port since ICD haulage service is erratic and expensive in comparison to Nhava Sheva.

- Following are the procedures and customs regulation pertaining to ICD shipments via Nhava Sheva:
  - **MOVEMENT & CLEARANCE OF CONTAINERS:**
    - **ICD MOVEMENT (LINER HAULAGE):**
      - We should only accept ICD destinations that GAC India can undertake.
      - Port of Discharge should show Nhava Sheva and Port of Delivery column in CARGOGULF Bill of Lading should show the ICD destination.
      - Only the carriers/shipping lines are allowed to process the transshipment documents.
      - Containers are railed directly from the port by CONCOR (Indian Railways)
      - The Consignee at the ICD does customs clearance.
      - Carriers/Shipping lines have no control on the railing. Containers are railed in sequence of first in first out basis.
      - All haulage charges is on merchant's account. Haulage can either be prepaid or collect.
      - Destination Terminal Handling Charge always included in the haulage rates.
      - After manifestation, any subsequent amendment in Port of Delivery should be checked with GAC Mumbai prior to amending the CARGOGULF Bill of Lading.

- **FACTORY DE-STUFFING (MERCHANT HAULAGE):**
  - CARGOGULF Bill of Lading should show Port of Discharge & Port of Delivery as "Nhava Sheva"
  - No onward destination should be claused in this Bill of Lading.
  - Containers are manifested for local Nhava Sheva delivery and moved to the CFS as per the job order placed with port authority,
  - There is no customs clearance facility inside the port.
  - After customs clearance by the consignee, the consignee moves the containers to their warehouse as per the factory destuffing procedural. Onward movement is only by road & could be to any place in India.
  - Consignee pays the Shipping Line the FACTORY DESTUFFING THC as per the tariff.
  
- **DOCK DE-STUFFING:**
  - Bill of Lading should show Port of Discharge & Port of Delivey as "Nhava Sheva"
  - No onward destination should be claused in these Bills of Lading.
  - Containers are manifested for local Nhava Sheva delivery & moved to the CFS as per the job order placed with port.
  - There is no customs clearance facility inside the port.
  - After customs clearance by the consignee the containers are destuffed at the CFS & the consignee arranges for trucks to take their cargo.
  
- Consignee pays the Shipping Line the dock de-stuffing Terminal Handling Charge as per the tariff.

▪ **SEALS:**

- All import containers to be discharged at Nhava Sheva or Mumbai port should have a Bolt (Bottle) seal.
- The seal numbers shown in the manifest & Bill of Lading should match the seal number on the container at the time of discharge.

▪ **HAZARDOUS CARGO:**

- IMCO class 1 & 7 not accepted for Nhava Sheva & Mumbai discharge.
- Hazardous cargo classified by MBPT as "A" & "B" category is not acceptable for discharge at Mumbai port. Hence, any IMCO shipments for Mumbai port are to check with GAC MUMBAI prior booking.
- Hazardous cargo for ICD by rail to be accepted only after prior approval from the Railways.

If acceptable by rail the Shipping Line should keep an undertaking with CONCOR for acceptance of unlimited liabilities due to any accident in carrying the hazardous box.

▪ **OOG CARGO:**

- Dimensions of the cargo with container should be sent to GAC MUMBAI prior booking to enable us check for acceptance by Port.
- Concor does not accept OOG to the ICD.

▪ **CARGO RESTRICTION:**

- Non Environmental Hazardous cargo not accepted in India
- Precious cargo, Currency & Military cargo to be booked only after prior approval from the concerned Authorities.
- Woolen rags/waste not accepted at Nhava Sheva & to most of the ICD.
- Tanks not to be accepted for ICD.

- **CARGO RESTRICTION:**
  - Maximum gross weight (cargo and container tare weight) permissible for discharge & railing to ICD is 34 Metric Tons.
  - Over weight charges for above gross weight of 24 Metric Tons will be applicable as per CONCOR rates.

- **TYPE OF DOCUMENT:**
  - Only CARGOGULF Bill of Lading is to be issued for all shipments.
  
- **RELEASING OFFICE AT DESTINATION:**
  - The releasing agent at destination will be the office indicated in Section 2.

- Kindly note that that Container Applications International (CAI) is our contracted equipment provider, with its regional office located in Malaysia.

- Following is the detail of CAI

**CONTAINER APPLICATIONS INTERNATIONAL**

Suite 10.05, Level 10, Menara Trend

Intan Millennium Square

68, Jalan Batai Laut 4,

Taman Intan

41300 Klang, Selangor Darul Ehsan

Malaysia

Tel: +603 3343 2422

Fax: +603 3344 5589

Contact: Ms Tan Swee Hong – Marketing Manager

- As CAI has numerous depots located in each country, we will advise the respective office the detail of the depot for collection of containers at time of on hiring.
- The above is for your information, as all communication will be channeled through CARGOGULF.

- **COMMUNICATION:**
  - It is essential that each office is to communicate on a daily basis to CARGOGULF, on the status of all containers handled. This is to monitor all containers movement within this region.
  - All equipment movements are to be updated on a daily basis via Container Management Systems (CMS).

- **CONTAINER REPAIR'S COST:**
  - Upon advice by the depot that repairs are required for a particular container, the repair details must be communicated to CARGOGULF, as per Annex D.
  - Approval must be sought prior to commencement of repair by depot.
  
- **CONTAINER REPAIR'S APPROVAL:**
  - Upon approval, CARGOGULF will provide the office with an approval reference and this reference is to be used when debiting CARGOGULF the repair cost.
  - Cost incurred for repair performed without prior approval from CARGOGULF will not be accepted.

- From time to time, there will be a requirement to reposition empty containers from one port to another. CARGOGULF will initiate such request to the respective office.
- Without CARGOGULF's instruction, repositioning of containers is strictly prohibited, failing which any cost incurred will be for the account of the origin office.

- **OFFICE RESPONSIBILITY:**
  - Each office will perform disbursement for each container/voyage (classified as a job) handled as via Container Management Systems (CMS).
  - CAROGULF will approve the disbursement when all in order, via CMS. Should there be any discrepancies, the disbursement will be rejected and a message will be send to the office advising reasons for rejection.
  - Upon approval of the office will issue credit/debit note to CARGOGULF for each job handled.
  
- **COMMISSION:**
  - **BOOKING COMMISSION (2.5%)**
    - Office that routed the business will be entitled to booking commission of 2.5% for generating the business.
    - Booking Commission of 2.5% is calculated basis on Ocean Freight only. This does not apply to any surcharges, such as BAF, THC, PSS, etc...
  
  - **AGENCY COMMISSION (2.5%):**
    - Both offices, Origin and Destination, which handled the business, will each be entitled to agency commission of 2.5% for handling the shipment.
    - Agency Commission of 2.5% is calculated basis on Ocean Freight only. The commission does not apply to any surcharges, such as BAF, THC, PSS, etc...
  
  - **THIRD PARTY SHIPMENT:**
    - This refers to shipment that is routed by a third party office in the instant where this office is neither the Origin or Destination office. For such shipments, the commission will be as follows:
      - Routing Office : 3.25%
      - Origin Office : 2.50%
      - Destination Office: 1.25%

- **HANDLING FEE FOR EMPTY REPOSITIONING:**
  - CARGOGULF will provide handling fee of USD 10.00 per container, to the origin office, for repositioning of empty container.
  - Destination office will not be entitled to any handling fee.
  
- **CONTAINER STORAGE & REPAIR COST:**
  - Each office will prepare, on a monthly basis (1<sup>st</sup> of the month) a disbursement form, as per Annex F, for the expenses incurred for container depot storage, repair charges, etc...
  - Upon approval from CARGOGULF, will issue debit note for the agreed amount.

- **WHAT TO DO ?:**
  - Upon learning of a claim or potential claim, written notification should be send to CARGOGULF immediately, whom will advise accordingly on how to proceed.
  
- **WHOM TO CONTACT:**
  - For cargo claim, ie: if there is any claim for cargo damaged, this should be address to TT Club, as this fall under our general liabilities, where there is an excess of USD 2,500.00
  - For total loss of container, we will address this, through CARRGOGULF, with the under-writer, QBE International.

- **PROMOTION LEAFLETS:**
  - This will be provided separately.
  
- **SAILING SCHEDULE:**
  - Please refer to Annex H for the layout of the sailing schedule, which must be strictly adhered to.
  - Monthly sailing schedules are to be prepared locally for distribution to customer, as per layout.

- The agency agreement will be distributed separately and will be attached in this section.
